OBJECTIVE Graduate Design Engineer

EDUCATION Cambridge University
Masters of Engineering, 2010-2014
Specialising in Electronic Engineering
Class 2.II, MASTERS GRADE

Haberdashers’ Aske’s Boys School
2003-2010

A levels	Subject	Grade
	Maths	A
	Further Maths	A*
	Physics	A*
	Chemistry	A

GCSEs	Subject	Grade
	Maths	A*
	Physics	A*
	Chemistry	A*
	Biology	A*
	English	A
	English Literature	A
	French	A*
	History	A*
	Geography	A*
	Ceramics	A*

SKILLS

Programming

- Experience in C programming, particularly Windows driver development.
- Some experience with VHDL and hardware design.

Other

- Full clean UK driving licence

EXPERIENCE Imagination Technologies INSERT MULTIPLE DATES
and more dates
blah

Work experience, driver debugging and build maintenance

Centre for Advanced Photonics and Electronics DATE
Wrote stability measurement control software for semiconductor testing which
was later used for a research publication (A J Flewitt et al 2009 Semicond. Sci.
Technol. 24 085002).

ACTIVITIES I probably do activities and stuff.

HOBBIES Programming, Electronics, CNC/3d printing
